**\*\*\*IMPORTANT NOTE\*\*\***

BEFORE your dog's arrival, Four Paws **must** receive CURRENT vaccination records. Your vet **must** fax information to (706) 428-0770.

**Required vaccinations for dogs are: Rabies, Bordatella , and DHLPP.**

Also, in order to provide the highest quality of care in a multi-animal environment, our policy is that flea medication must be applied within the last 30 days, year around. If this has not been done you will be required to purchase one upon arrival and we will take care of applying it. This is to prevent parasite infestation. This application is completely safe for your pet and is highly recommended by our consulting veterinarian.
